

Universal

Great Britain

Announced

Social Story

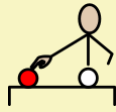

It

has been

announced

that

Universal

are

going to

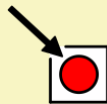

build a

brand new

theme park

in

England!

I

may

feel

very

excited

about

the

news

of

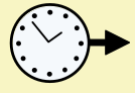

brand new

theme park.

I

will

need

to

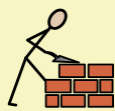

wait

for the

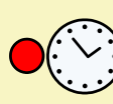

theme park

to be

built

before

I can

have

lots of

fun.

I

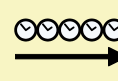

will

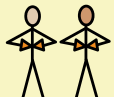

be

waiting

a long time

we

think about

6

years

for the

theme park

to be

built

because

at the moment

it is

just

a

field.

It is

hard

to

wait

when I'm

so excited

but

I can

keep

up to date

with

the

progress

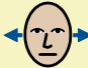

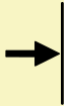

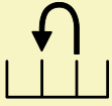

online

as

 lots of people
  in
  the theme park
  community
  will
  be posting

 updates
  on the internet.
  I
  may
  feel
  nervous
  about
  going to

 Universal
  Great Britain
  as it's a
  new
  place
  I
  have not

 been to
  before.
  I'm not
  going
  for a long time
  so I
  don't need

 to worry
  yet.

 I
  could
  write down
  or
  draw
  a picture
  of
  all
  the rides

 I
  would
  put in
  the theme park
  if
  I
  was the designer.

 This
  might
  help
  me
  to feel better
  about
  this
  big

change.
