Social Story

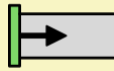

Spooky

Season

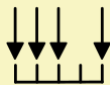

has

started!

=

lots of

theme parks

will have

halloween

events.

Some

parks

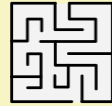

do

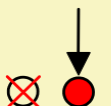

very

scary

mazes.

Other

parks

do

family

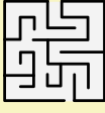

friendly

halloween

events.

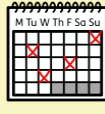

Scare mazes are a good choice is I like surprises

loud noises, flashing lights and horror.

Family friendly halloween events are a good choice if I

like little scares and halloween songs.

Theme parks sometimes open late during spooky season this

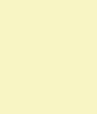

means I can go on rides in the dark.

 have
 

 show
 

 might
 

 and

 the
 

 very well in
 

 Sometimes
  its very busy
  during spooky
  season.

 I can
  remember
  to use my
  strategies
  like
  fidget toys,

 ear defenders,
  snack
  and quiet time.

 It is ok
  if I
  don't want
  to be scared
  I can
  go to the

 theme park
  another
  time.
